11th MENA Stroke Congress & 8th Kuwait Neurology Conference

Challenge Case Guidelines

We invite participants to submit interesting Clinical Cases for the **11th MENA Stroke Congress & 8th Kuwait Neurology Conference**. This is an excellent opportunity to share clinical experiences and present a case as an Oral Presentation in front of leading experts in the field.

YOU MAY SUBMIT UP TO THREE CASES WITH THE BELOW THEMES:

1. Challenging acute stroke and reperfusion decisions
2. Unusual stroke etiologies and diagnostic dilemmas
3. Stroke in high risk and special populations
4. Complexities and ethical challenges in stroke care

SUBMISSION GUIDELINES:

Each case submission must be no more than 500 words in length. Submissions should be clearly structured using the following sections:

1. Case History
2. Investigations
3. Results and Treatment
4. Conclusions and Discussion Points

IMPORTANT DATES:

- Submission Closes: 8th August, 2026
- Acceptance Notification: 8th September 2026

RECOGNITION FOR ACCEPTED CLINICAL CASES:

- Certificate of conference attendance with credit hours
- Certificate of presenting a clinical case
- Free conference registration
