

11th MENA STROKE CONGRESS

KUWAIT  
8 - 9 OCTOBER 2026

### Challenge Case Guidelines

We invite participants to submit interesting Clinical Cases for the **11th MENA Stroke Congress**. This is an excellent opportunity to share clinical experiences and present a case as an Oral Presentation in front of leading experts in the field.

#### **YOU MAY SUBMIT UP TO THREE CASES WITH THE BELOW THEMES:**

1. Challenging acute stroke and reperfusion decisions
2. Unusual stroke etiologies and diagnostic dilemmas
3. Stroke in high risk and special populations
4. Complexities and ethical challenges in stroke care

#### **SUBMISSION GUIDELINES:**

Each case submission must be no more than 500 words in length. Submissions should be clearly structured using the following sections:

1. Case History
2. Investigations
3. Results and Treatment
4. Conclusions and Discussion Points

#### **IMPORTANT DATES:**

- Submission Closes: 8<sup>th</sup> August, 2026
- Acceptance Notification: 8<sup>th</sup> September 2026

#### **RECOGNITION FOR ACCEPTED CLINICAL CASES:**

- Certificate of conference attendance with credit hours
- Certificate of presenting a clinical case
- Free conference registration
