An epic breakthrough in the history of the Stroke Congresses was achieved by the MENA Stroke Organization for its three-day Congress, the 8th MENA Stroke Congress from 21-23 October 2022, boasting a total estimate of 2,872+ delegates across the world in hybrid format.

The event with **25 accredited CME** Hours by the Department of Health Abu Dhabi has brought an unparalleled list of speakers in the field of Neurology and stroke to discuss the most comprehensive analysis, treatments, updates, and scientific research all related to the cerebrovascular accidents.

The **scientific committee chaired by Prof. Dr. Suhail Abdulla Alrukn**, and the Congress president Dr. Syed Irteza Hussain have invited these revered healthcare professionals as speakers and moderators with their unique and diverse scientific topics to cover the agenda spanning across **Stroke Care after COVID-19 Era, IV Thrombolysis, Mechanical Thrombectomy, Stroke Rehabilitation, Systems of Care, Acute stroke IVT/EVT, Etiology, ICH, Secondary stroke prevention, and Imaging. The forum discussed the Future of Stroke Care in the MENA Region and Long-Term Plan for Stroke in the Arab World.** Likewise, debate sessions were raised the most dynamic and controversial topics facing clinicians in the fields of stroke in an exciting interactive forum that enhanced the healthcare professional's knowledge.

Under the endorsements from the Department of Health Abu Dhabi (**DOH**), World Stroke Organization (**WSO**), American Heart Association /American Stroke Association (**AHA/ASA**), European Stroke Organization (**ESO**), Pan Arab Union of Neurological Societies (**PAUNS**), Sheikh Khalifa Stroke Institute (**SKSI**), and Abu Dhabi Department of Culture and Tourism and immense support from Medtronic, Boehringer Ingelheim Angels, Cleveland Clinic Abu Dhabi, Microvention Terumo, Stryker, Penumbra - Life Medical, Boehringer Ingelheim, Alpha Alliance, ProPharma, and Ferrer, the congress has marked a huge success.

Day 1 of the congress was focused on symposium and workshops. **Stroke Nursing Symposium** conducted by Sheikh Khalifa Stroke Institute - Johns Hopkins Medicine team has been an instructive session with the objectives of Clinical presentation of stroke, importance of early recognition and treatment, role of nurses in stroke chain of survival, monitoring and care of post thrombolysis and post thrombectomy patients, and how to prevent post stroke complications.

Running Acute Code Stroke Workshop by the Rashid Hospital team has educated the delegates to be able to diagnose acute stroke and evaluate patient for intervention, understand the importance of timely reperfusion, know the indications and contraindications of thrombolysis and deal with its complications, and know the elements of post thrombolysis care.

The last session for the day was **Mechanical Thrombectomy Workshop** run by Dr. Aiman Quateen, Dr. Syed Irteza Hussain, and Dr. Seby John primarily discussed the role of mechanical thrombectomy in acute stroke, the selection criteria for intervention- clinical and radiological, the technique for mechanical thrombectomy- devices and catheters, and potential complications and post thrombectomy care.

Day 2 has witnessed a great **Opening Ceremony** of the congress followed by the **8th Annual MENASO Award Ceremony 2022**.

Dr. Saleh Saif Salem Fares Al Ali, President of the International Federation of Emergency Medicine (IFEM) and Executive Director Emergency Preparedness & Response Center Department of Health, Abu Dhabi, has attended the event as VIP guest. Dr. Seby John, Organizing & Scientific committee member of the congress, moderated a vital discussion about the **Stroke Care in UAE**. Dr. Saleh, Prof. Dr. Suhail Alrukn, Dr. Syed Irteza (CCAD), Dr. Mohammed Al Kuwaiti (Tawam/UAEU), Dr. Isam Saleh (SSMC), Dr. Aiman Quateen (SSMC), and Dr. Victor Urrutia (SKSI) have participated in the discussion.

MENASO has recognized few individuals for their impactful contributions to stroke care in the Middle East North Africa region with **MENASO Annual Awards**. The awards include MENASO **Global Impact Award 2022**, MENASO **Regional Impact Award 2022**, MENASO **National Impact Award 2022**, MENASO **Stroke Service Award 2022**, MENASO **Quality Award 2022**, MENASO **Education Award 2022**, and MENASO **Research Award 2022**.

Day 2 and Day 3 of the congress was rich with the number of participation and its scientific content. The dynamic agenda consisted of various sessions such as **Controversies in Acute Stroke, Systems of Stroke Care, Acute stroke Endovascular Thrombectomy, Stroke Etiology, Intracerebral hemorrhage, Abstracts Oral Presentations, Secondary Stroke Prevention, MENA Stroke Care Plenary, Stroke of Other Determined Etiology, and Advanced Neuroimaging**.

The scientific committee behind this high-quality agenda includes experts physicians Prof. Dr. Suhail Abdulla Alrukn, Prof. Adel Alhazzani, Prof. Dr. Hany Mohamed Aref, Dr. Maria Khan Junaidi, Dr. Taleb Almansoori, Dr. Tareq Almagrabi, Dr. Syed Irteza Hussain, Dr. Amal Al Hashmi, Dr. Athari Salmeen, Dr. Fatmah Alzahmi, Dr. Aiman Quateen, Dr. Alessandro Terruzzi, Dr. Ammar Alomar, Dr. Carl-Johan Ramberg, Dr. Isam Sayed Salih, Dr. Josef Alawneh, Dr. Mohammad Wasay, Dr. Mohammed Al Kuwaiti, Dr. Salman Qureshi, Dr. Seby John, and Dr. Tariq Alafifi.

The panel of renowned speakers consisted of Dr. Ashkan Shoamanesh, Dr. Alessandro Terruzzi, Prof. Ali M. Al Khathaami, Dr. Amal Al Hashmi, Dr. Athari Salmeen, Dr. Derk W Krieger, Dr. Fahad Al-Ajlan, Dr. Fawaz Alshareef, Dr. Florian Roser, Dr. Hani Sabbour, Dr. Tanmoy K. Maiti, Dr. Jamil R. Dibu, Dr. Louis Kroon, Dr. Mahmoud Traina, Dr. Manzoor Ahmed, Dr. Maria Khan Junaidi, Dr. Mehdi Farhoudi, Dr. Mohammad Asif Dogar, Dr. Mohammad Ayesh Aljohani, Dr. Mohammed Al Kuwaiti, Dr. Muhammad Shazam Hussain, Dr. Saeed Ahmed Alghamdi, Dr. Seby John, Dr. Syed Habibullah Kamran, Dr. Syed Irteza Hussain, Dr. Victor C. Urrutia, Prof. Dr. Atilla Ozcan Ozdemir, Prof. Dr. Hany Mohamed Aref, Dr. Christopher Anderson, Dr. Kori Zachrison, Prof. Philip B. Gorelick, Ms. Brenda Johnson, Ms. Lisa Klein, Ms. Elizabeth Zink, and Dr. Ramy El Khoury.

Watch the uninterrupted congress lectures on **MENA Stroke Organization** YouTube channel to enjoy an encyclopedic learning session at your home convenience.

The 8th MENA Stroke Congress has been an insightful event filled with exciting and fruitful conversations from our international and local speakers. The MENA Stroke Organization would like to thank all of you for the support and confidence in which this Congress has made an impactful difference for the common greater good of our society. It has been a great experience to witness an incredible achievement from everyone who contributed their time and effort in making this important event a successful one.

WELCOME MESSAGE

OFFICIAL INVITATION FROM THE CONGRESS PRESIDENT

Dr. Syed Irteza Hussain
Congress President

8th MENA Stroke Congress
Department Chair, Neurology
Neurological Institute
Cleveland Clinic Abu Dhabi, UAE

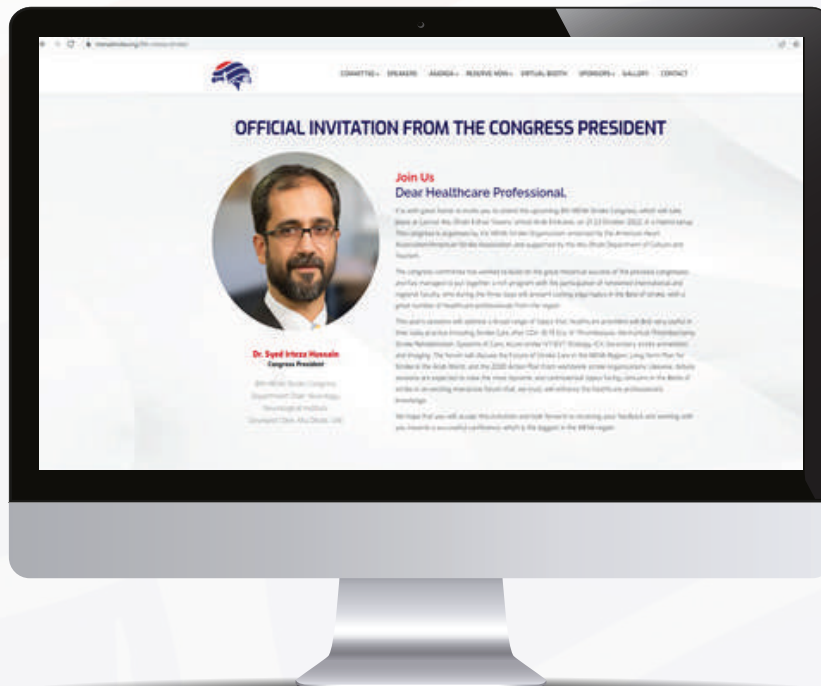

Join Us Dear Healthcare Professional,

It is with great honor to invite you to attend the upcoming 8th MENA Stroke Congress, which will take place at Conrad Abu Dhabi Etihad Towers, United Arab Emirates, on 21-23 October 2022, in a Hybrid setup. This congress is organized by the MENA Stroke Organization, endorsed by the American Heart Association/American Stroke Association, and supported by the Abu Dhabi Department of Culture and Tourism.

The congress committee has worked to build on the great historical success of the previous congresses and has managed to put together a rich program with the participation of renowned international and regional faculty, who during the three days will present cutting edge topics in the field of stroke, with a great number of healthcare professionals from the region.

This year's sessions will address a broad range of topics that healthcare providers will find very useful in their daily practice including Stroke Care after COVID-19 Era, IV Thrombolysis, Mechanical Thrombectomy, Stroke Rehabilitation, Systems of Care, Acute stroke IVT/EVT, Etiology, ICH, Secondary stroke prevention, and Imaging. The Forum will discuss the Future of Stroke Care in the MENA Region, Long-Term Plan for Stroke in the Arab World, and the 2030 Action Plan from worldwide stroke organizations. Likewise, debate sessions are expected to raise the most dynamic and controversial topics facing clinicians in the fields of stroke in an exciting interactive forum that, we trust, will enhance the healthcare professional's knowledge.

We hope that you will accept this invitation and look forward to receiving your feedback and working with you towards a successful conference, which is the biggest in the MENA region.

SPEAKER INVITATION

Speaker Invitation | 8th MENA Stroke Congress, 21-23 October 2022

MENASO Secretary

2:02 PM 21/10/2022

Dear ,

Creetings!

On behalf of the scientific committee of the 8th MENA Stroke Congress, we would like to formally invite you to be one of the keynote speakers for this congress scheduled from Friday-Sunday, 21-23 October 2022 in Abu Dhabi, United Arab Emirates.

This congress is organized by MENA Stroke Organization (MENASO), endorsed by the Department of Health Abu Dhabi (DOH), World Stroke Organization (WSO), American Heart Association (American Stroke Association) (AHA/ASA), and European Stroke Organization (ESO), and supported by Abu Dhabi Department of Culture and Tourism.

It's the biggest stroke congress in the MENA region where the officials from the Ministry of Health, Department of Health, Dubai Health Authority, presidents of all stroke societies in the MENA region, and important personalities in the field will meet together towards a great mission to reduce the stroke burden in the region.

Conference Purpose

This year's sessions will address a broad range of topics that healthcare providers will find very useful in their daily practice including Stroke Care after COVID-19 Era, IV Thrombolysis, Mechanical Thrombectomy, Stroke Rehabilitation, Systems of Care, Acute stroke (CT, EVT, Etiology, ICH, Secondary stroke prevention, and imaging). The forum will discuss the Future of Stroke Care in the MENA Region and Long-Term Plan for Stroke in the Arab World. Likewise, debate sessions are expected to raise the most dynamic and controversial topics facing clinicians in the fields of stroke in an exciting interactive forum that, we trust, will enhance the healthcare professional's knowledge.

Your honorary presence at our conference will undoubtedly help it reach new heights, and the conference attendees could well find your insightful advice to be highly motivating and inspiring, igniting in them the desire to carve out a space for themselves in their respective fields and serve as the pillars of society.

Presentation Requirements

You are being asked to present a lecture on Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus placerat fella non mauris hendrerit feugiat, in Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus placerat fella non mauris hendrerit feugiat, in Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus placerat fella non mauris hendrerit feugiat.

An application will be submitted to request that this conference be accredited for continuing medical education (CME) credit. To comply with accreditation standards:

- the presentation must promote improvements in quality in health care and not the products or services of any specific company;
- the presentation must be fair and balanced, and the use of generic names is encouraged. If a trade name is used, where available, trade names from several companies should be used, not just from a single company.

What to Do Next

Download the Speaker Disclosure Form and click on the [link below](#) and provide the following requirements to comply with accreditation standards and obtain the speakers' permit:

- Your Full Name and title as you would like it to appear in the program
- Clear Passport Copy
- Emirates ID (for UAE Residents)
- Short Biography - 100 words
- High-resolution Passport Size Photo
- Signed Speaker Disclosure Form (attached)
- Mobile Number

Your participation is important for the success of this conference, and we hope that you will accept this invitation to a successful meeting. Your return of all required forms by 08 October 2022 will be greatly appreciated.

Sincerely,

Dr. Syed Itaza Hussain
8th MENA Stroke Congress

Dear ,

After the great success of the MENA Stroke Congress in 2021, we proudly announce and invite you to the 8th MENA Stroke Congress, scheduled from Friday-Sunday, 21-23 October 2022 in Abu Dhabi, United Arab Emirates.

This congress is organized by MENA Stroke Organization (MENASO), endorsed by the Department of Health Abu Dhabi (DOH), World Stroke Organization (WSO), American Heart Association (AHA), American Stroke Association (ASA), and European Stroke Organization (ESO), and supported by Abu Dhabi Department of Culture and Tourism.

Your participation is important for the success of this conference, and we hope that you will accept this invitation to a successful meeting. Your return of all required forms by 19 August 2022 will be greatly appreciated.

The congress is accredited by the Department of Health Abu Dhabi for up to 25 CME Hours!

We Guarantee the Fastest CME Issuance in Medical Conference History! Get it within 2 Working days!

How to obtain the CME Hours?

- All registered attendees will receive evaluation and CME certificates within two working days after the Congress.
- Submit the evaluation online and you will receive the CME certificate to the registered email within 10 minutes of submission.
- Dedicated contact channel to address all inquiries and concerns regarding the CME certificate.
- Write to secretary@menastroke.org or call/WhatsApp at +971 58 864 5471 for all your queries.

For DOH License Holders:

- Raise the participation requests in the TAMM portal after submitting the evaluation and share the Request Reference Number with us at the above contact.
- TAMM requests will be approved, and Certificate will be issued within two working days.

Note: Book your seats right away as we have a limited number of seats!
