in the MENA Region

28-30 | Sep | 2023

InterContinental Riyadh, KSA

SPONSORSHIP PACKAGE

Dear Prospective Sponsors,

It is with great honor to invite you to support the upcoming **9th MENA Stroke Congress**, organized by the Middle East and North Africa Stroke Organization (**MENASO**), which will take place in **Riyadh, Kingdom of Saudi Arabia, on 28-30 September 2023**, with a Hybrid setting. This congress is organized by the MENA Stroke Organization, and endorsed by Saudi stroke society, World Stroke Organization, American Heart Association/American Stroke Association, European Stroke Organization, and the Pan Arab Union of Neurological Societies

The congress committee has worked to build on the great historical success of the previous congresses, and have managed to put together a rich program with the participation of renowned international and regional faculty, who during the two days will present cutting edge topics in the field of stroke, with over 500 neurologist and other healthcare professionals from the region.

This year's plenary sessions will address a broad range of topics that, healthcare providers will find very useful in their daily practice including Controversies in Stroke, Acute stroke Endovascular Thrombectomy Intracerebral hemorrhage, and Neurosurgical Management of Acute Stroke or Vascular Malformation, debate sessions are expected to raise the most dynamic and controversial topics facing clinicians in the fields of stroke in an exciting interactive forum that, we trust, will enhance the healthcare professional's knowledge.

We hope that you will accept this invitation and look forward to receiving your feedback and working with you towards a successful conference, which is the biggest in the MENA region.
