

THE VOICE OF STROKE
IN EUROPE

ESOC 2021 - a new, enhanced virtual meeting experience! Join us from anywhere.

7TH EUROPEAN STROKE
ORGANISATION CONFERENCE

1-3 SEPTEMBER 2021
VIRTUAL

ESOC 2021 is not our first virtual event. Following the success of ESO-WSO 2020, we are confident we can adapt to the online world once more, while benefiting from better conference technologies! Expect a new, enhanced virtual platform enabling more live sessions, extended meeting possibilities, and more options to interact combined with highquality science, clinical trials & presentations. We hope you will join us online once again - from work, from home, from all around the globe and together, we will advance stroke science!
